DIANA PUITEL APPOINTED TO GOODACRE BOARD

Goodacre UK has announced today that Diana Puitel has been appointed as a Director. Ms Puitel joined the company in November 2015 and has been instrumental in developing and expanding Goodacre's popular CPD training services. Diana, who has a B.Sc. in Combined Psychological Sciences, has been responsible for expanding the range of courses and significantly increasing the number of delegates attending courses. On the appointment, Diana said:

"I am delighted to join Goodacre's Board. I look forward to the future challenges and to bringing further success to the company."

Goodacre's MD Stephen Pinner said

"Goodacre's strong reputation within the finance and securities sector through its consultancy, event management and recruitment services has been further enhanced through our training division which Diana has managed so well. The Board is delighted with this appointment and is looking forward to the new initiatives scheduled for the coming months".
